

New Ford

Puma

Ford

Even smarter than it looks

The Ford Puma's unmistakable silhouette and effortless style demands attention. But its beauty is much more than skin deep, with innovative technology and safety features to connect and help protect you.

Puma ST-Line Vignale shown.

Hands-Free Power Liftgate with Smart Keyless Entry¹

Fumbling for your car keys? Open your Puma ST-Line Vignale with smart keyless entry just by having your keys nearby. If your hands are full, kick your foot under the rear bumper of the Puma ST-Line Vignale and the hands-free power liftgate opens and closes automatically.

Puddle Lamps

Available on ST-Line Vignale.

LED Headlamps

Available on Titanium and ST-Line Vignale.

Panoramic Roof

Available only as an option on the ST-Line Vignale.

International model shown.

Comfortably practical

The Ford Puma offers functionality, space and comfort, without holding back style. The 8-inch colour touch screen is available on the Titanium and ST – Line Vignale and 12.3-inch digital cluster available on Puma ST-Line Vignale⁷.

Apple CarPlay™/Android Auto™

Seamlessly integrate your compatible smartphone through Apple CarPlay™, Android Auto™ & Applink® for hands-free control of your favourite apps^{8,9}. Stay connected with the 8-inch touch screen display, for better visibility and more control.

Wireless Charging¹²

With wireless charging standard across the range, you can ensure your compatible devices are ready to go at all times.

B&O Premium Sound System¹⁰

The advanced 10-speaker, 575-watt set-up has been specifically designed and fine-tuned for the Puma ST-Line Vignale by specialist B&O sound engineers.

Choose your drive mode

Puma comes with 5 selectable drive modes³ — Normal, Sport, Eco, Slippery or Trail – to make your journey as effortless and enjoyable as possible.

Keeping an eye on the road

180° split view Camera³

Activating automatically when you switch into reverse, the camera can reveal objects you might have missed and help you navigate tight parking spaces.

Every Puma is loaded with clever driver assist technology, designed to help keep you, your family and other road users protected.

Collision Mitigation System with Pedestrian Detection³

Always scanning ahead, Autonomous Emergency Braking alerts you to potential collisions and applies the brakes if an unexpected danger appears.

Lane Keeping Aid³

If you accidentally drift out of your lane, the Puma will apply gentle steering torque and a warning vibration to guide you back, if needed.

Tyre Pressure Monitor

Alerts you when the pressure is low, so you can manually check the pressure and reinflate your tyres to the accurate level.

Driver Assistance Pack^{3,4}

The Pack includes Blind Spot Information System (BLIS), Intelligent Adaptive Cruise Control (with Traffic Jam on A/T), Traffic Sign Recognition, Driver Impairment Monitor, Front Parking Sensors, Active Park Assist, Rear View Camera.

Uncompromised load space

Putting the fun back in functional, the Puma provides interior flexibility and storage solutions. The rear cargo can fit from 410L up to 1170L of luggage, with the seats folded down in a 60/40 split. Subject to taking out the spare wheel.

Award-winning Engine

The 1.0L EcoBoost petrol engine is an 11-time winner at the International Engine of the Year awards⁶, with 92kW @ 6000rpm of power and 170Nm @ 1400-4500rpm of torque delivering incredible fuel efficiency of 5.3L/100km⁵.

1.0L
EcoBoost

92 kW of Power Fuel Efficiency 5.3 (L/100km)⁵.

Titanium Key Features

Ownership experience

We're constantly introducing new tools and services, designed to adapt to your needs throughout the life of your vehicle.

FordPass

FordPass puts the ownership experience in the palm of your hands. With the app, you'll enjoy remote access and control to features like Remote Start/Stop, Vehicle Health Alerts, Vehicle Locations and Online Service Booking* anytime, anywhere.

**Available at selected Ford dealerships only.*

Ford Protect

Ford Protect Offers a holistic suite of service, maintenance, extended warranty and roadside assistance products aimed at keeping your Puma in top running condition.

All Puma derivatives have its service plan unbundled from the purchase of the vehicle in line with the Competition Commission's Guidelines for the Automotive After-market Industry. Service and maintenance plans can be purchased directly from the Finance and Insurance Manager at any Ford Authorised dealership. The service plan will cover the scheduled services on your selected plan based on the time, intervals and kilometres. For complete peace of mind motoring the Premium Maintenance Plan covers scheduled services, preventative care and replacement of "wear and tear" components as well as mechanical and electrical failure. Terms and Conditions apply.

Warranty: Extension covering your vehicle for up to 7 years or 200 000kms from the original warranty start date.

Service Plans options Available for up to 8 years or 165 000kms from original warranty start date.

Maintenance Plans: Ford Protect has a variety of maintenance options for up to 8 years or 165 000kms.

Roadside Assistance: Opt for an additional 1 or 2 years Roadside Assistance.

Please contact your nearest Ford Dealer for more information regarding Ford Protect plans and products options or www.ford.co.za/owner/ford-protect/

Errors and omissions excepted (E&OE). **New Vehicle Limited Warranty.

Online Service Booking*

You can now book a service for your Ford using the FordPass app or by visiting the Ford website. Simply enter the website or the app and select your preferred Ford dealer to get your vehicle serviced with the least amount of hassle. You can also edit or cancel your booking at any time from wherever you are.

Express Service*

Ford's 60-minute Express Service is specifically meant for reduced service wait times and when time is of the essence. Our qualified Ford technicians ensure that your vehicle is serviced without any compromise, giving you back more time on the day of service.

Service made easy

When you service at Ford with our qualified Ford technicians, your peace of mind is our top priority. We only use Genuine Ford Parts made for your vehicle and provide you with vehicle health check alerts, so you know your vehicle is being maintained the way it should. Take advantage of all the Ford Service Benefits on offer.

Ford Service Benefits

Our commitment to you

Convenience and reliability, that's what service should be. That is exactly what Ford promises when you service at a Ford dealership. Enjoy peace of mind knowing that your vehicle is handled using specialised diagnostic equipment and Ford approved tools. After all nobody knows your Ford better than we do. Speak to your preferred Ford Dealer today about how we can help you make the most out of your driving experience.

Discover the full range of Ford service benefits by visiting www.ford.co.za/ or scan the QR code to find out more.

Intelligent Oil Life Monitoring System (IOLM)

The way you drive can have a significant impact on how often your oil needs changing.

The Intelligent Oil Life Monitor in Ford vehicles is a smart system that monitors oil life and alerts you with a message in the instrument cluster and FordPass app when the oil needs changing.

Puma connects with you².

Every Puma comes fitted with an embedded modem. Using the FordPass App² on your mobile device, you can locate your vehicle, lock and unlock the doors, and even start the engine remotely to heat or cool the cabin to the last known setting.

Receive health alerts and get your Ford ready for the road ahead.

Get timely alerts on the vehicle's low tyre pressure.

Check your fuel levels remotely.
